From that point on, East Germany's foreign intelligence operations became the most efficient and effective in the world. Wolf tells the real story of Gunter Guillaume, the East German spy who brought down Willy Brandt. His espionage network stretched to the highest levels of UTC: All snapshots: from host from host: Linked fromWolf's work was so impressive that before he turned thirty he was asked to lead the service. He reveals the truth behind East Germany's involvement with terrorism He was a man of such secrecy that it was twenty years before Western intelligence even knew what he looked like. Man Without a Face details all of Wolf's major operations, successes, and failures, and illuminates the reality of Man Without a Face is the result. It details all of Wolf's major successes and failures and illuminates the reality of espionage operations as few nonfiction works before it.
