Click the MB DVDrip I just want to highly recommend a lesson video that really really helped me get good at guitar. I've been playing for years and I've learned all of Megadeth's, Ozzy's, Death's, and many other's catalogue note for note as a teen because lets be honest, learning other people's music makes you better at guitar and it's just funAn excellent lesson for any guitarist to improve as a soloist. Released in, this in-depth lesson covers hearing chord progressions, arpeggios, relative minor chords, scales, how to build a melody, picking, bending and playing the blues. Try for free.
