Book 5 - Deceased and Desist A Harley and Davidson Mystery Agatha Harley and Hank Davidson have been through one heck of a year. She's hot off the heels of a successful book release, and Hank's found his retirement groove on the saddle of a Harley Davidson motorcycle. But some things in Agatha's past refuse to stay there. She'd become a recluse for a reason, and the man who almost killed her is out of prison and looking for revenge. It's time for Agatha to put the past behind her once and for all, and she knows there's no one better than to help her succeed than Hank. But at what cost?

**ABOUT THE AUTHORS:** The dynamic husband and wife writing duo of Liliana Hart and Louis Scott combine their love of adventure and storytelling into the Harley and Davidson Mystery Series. While they've discussed a team writing effort for years, when it came time to actually develop their characters, both admit to being stumped. Why not write us they laughed. Liliana, a 30-time NY Times and USA Today bestseller and author of over 60 titles, enjoys this labor of love with her husband. Scott, a former Chief of Police and law enforcement professional has over 25 years of banging down doors and busting bad guys. An author of 40 titles, he says this by far is his favorite mission. Together, they have created a lovable tandem of adventure seeking, mystery-solving heroes that you'll get to know and love. You might even catch a glimpse of Liliana and Scott in each story. Well, probably much more than a glimpse.
