Belinda Drake is a witch with a passion for mysteries, an addiction to chocolate, and a penchant for keeping to herself. In her new life in Blackthorn Springs, she's got everything she needs, even if she is the world's most incompetent witch. When her neighbor turns up dead, Belinda recognizes the Mortis Curse, one of the most evil spells known to witch kind. At the same time, the life she thought she'd left behind starts knocking at her door. Now she must find the killer before her quiet existence descends into darkness.
