by Alexander Pruss and Joshua L Rasmussen. Cars, iPads, telephone poles, towers, flowers, mittens,kittens, bricks Pruss and Rasmussen present an original defense of the hypothesis that there is a concrete necessary being capable of providing a foundation for the existence of things. And by ‘impossible’ we mean ab-solutely impossible: if xis a necessary being, then the non A necessary thing, as we are thinking of it, would be something that exists no matter what possible situation obtains. DOI Virtually everything we encounter in ordinary experience can, apparently,fail to exist. Many people are quick to associate the term “necessary being” with God. There is an obvious historical reason for this: arguments for a necessary being have for centuries been a backbone of nat-ural theology A thing has necessary existence if it would have existed no matter what, if it would have existed under any possible circumstances. They offer six main arguments, divided into six chapters. Virtually everything we Alexander R. Pruss, Joshua L Rasmussen Necessary Existence Oxford University Press PDFMB. TN recent years what is meant by "necessary that "God exists" was necessary, not that it was existence" Necessary Existence and Monotheism. “People have at all times been talking of an absolutely necessary Being.” –Immanuel KantThe Question of Necessary Existence. Necessary Existence breaks ground on one of the deepest questions anyone ever asks: why is there anything? So, for example, a necessary thing cannot be assembled or disassembled. An equivalent definition is this: A thing has necessary existence if its non-existence would have been impossible. The first argument is an up-to-date presentation and assessment of a traditional causal-based argument from contingency Let us consider finally the relevance of necessary existence to theology.
