In diseases, it is the vital force that is deranged. The vital force produces the disease. THEREFORE if the vital force is cured, the disease is cured. [how it does so is of no concern to the physician] Diseases are not peculiar or distinct entities. Samuel Hahnemann's Organon of Medicine clearly and completely states, for the first time in history, the true nature of health and disease, the natural principles of cure, and the system of medical therapy based on these principles which we know as homeopathy.
