The meow of death ... Whisker Jog, New Hampshire, is a long way from Hollywood, but its the place legendary actress Deanna Daltry wants to call home. Taking up residence in a stone mansion off Cemetery Hill, the retired, yet still glamorous, septuagenarian has adopted two kittens from Lara Capharts High Cliff Shelter for Cats. With help from her Aunt Fran, Lara makes sure the kitties settle in safely with their new celebrity mom. But not everyone in town is a fan of the fading star. Deanna was in Whisker Jog when she was younger, earning a reputation for pussyfooting around, and someone is using that knowledge against her. After being frightened by some nasty pranks, Deanna finds herself the prime murder suspect when the body of a local teacher is found on her property. Now, its up to Lara, Aunt Fran, and the blue-eyed Ragdoll mystery cat Lara recently encountered to collar a killer before another victim is pounced upon ...
