The past returns to haunt Chief Inspector Alan Banks in this harrowing novel of suspense from New York Times bestselling author Peter Robinson. There are human bones, buried in an open field, the remains of a lost teenaged boy whose disappearance devastated a community more than thirty-five years ago and scarred a guilt-ridden friend forever. A long-hidden horror has been unearthed, dragging a tormented policeman into a past he could never truly forget no matter how desperately he tried. A heinous crime that occurred too close to home still has its grip on Chief Inspector Alan Banks and its leading him into a dark place where evil still dwells. Because the secrets that doomed young Graham Marshall back in 1965 remain alive and lethal, and disturbing them could cost Banks much more than he ever imagined. Master of suspense Peter Robinson once again delves into the human psyche to reveal what leads some to commit murder in this compelling, unforgettable thriller.
