Selma Lehmann sees demons. What's worse is... they see her too.No one wants to believe that monsters walk among us, but they're real. When Selma falls into their hands, the truth about her curse proves far worse than she could have ever known.On the run from demons hell-bent on possessing her, Selma soon finds herself in the hands of a far more dangerous enemy.Lord Protector Kain is ruthlessly handsome, brutally savage-and exactly the fate she's feared since the day she learned what kind of creatures hunt her from the shadows. They call her a Breeder, and there's only one thing a demon Lord could want from her... But if she's ever going to reclaim her freedom, she will have to trust the monster who swears to protect her from his own kind.Kain never wanted a mate-only pain awaits a demon foolish enough to give his heart to a human.When tantalizing Selma lands in his lap, he knows his duty is to put her to auction and return his focus to the war threatening to bring his entire race to its knees.Yet every instinct in his body roars to make her his, and he'll have to choose. His heart-or her soul?*Includes the Demon's Mark prequel Branded.
