She doesn't think she needs a hero, but he's taking the job. Deputy Sheriff and cougar Stryker Hill is not on duty when the sheriff asks him to check out a possible break-in of a resident's home while they are away on a cruise. What he doesn't expect is to find the beautiful and mysterious cougar he'd seen at a Christmas charity where he was showing his abs off as Santa Clause. But she's got some moves to rival his own as she takes him down and he's left wondering who she really is and how he's going to keep her from leaving Yuma Town before he learns the truth. Cougar shifter Nina Lamar has to protect her sister from the pharmacist who laid the blame on her for his thievery, and Nina has to help clear her sister's name. But now Nina's got the sexy Santa on her case, and she needs to deal with him first. She has to admit he's just as hot as when she'd first seen him, but the guys who are after her sister, are after her too now. She needs to save them both before it's too late. Too bad Stryker thinks she's one of the bad guys, unless she can prove otherwise. That's hard to do when her visions are the only proof of why she's there in the first place. But time is running out, and she has to save her sister-nothing else matters...except the sexy deputy sure can be a hot distraction on the cold, snowy nights.
