One of the New York Times's 100 Notable Books of 2020 Longlisted for the Center for Fiction First Novel Prize, *The Beauty of Your Face* is a story of outsiders coming together in surprising and uplifting ways (New York Times Book Review, Editors Choice). *The Beauty of Your Face* tells a uniquely American story in powerful, evocative prose. Afaf Rahman, the daughter of Palestinian immigrants, is the principal of a Muslim school in the Chicago suburbs. One morning, a shooter radicalized by the online alt-right attacks the school. As Afaf listens to his terrifying progress, we are swept back through her memories, and into a profound and moving (Bustle) exploration of one woman's life in a nation at odds with its ideals.
