Barnes biographical, historical, and literary to enrich each reader's understanding of these enduring works. Rudyard Kipling has been attacked for championing British imperialism and celebrated for satirizing it. In fact, he did both. Nowhere does he express his own ambivalence more strongly than in Kim, his rousing adventure novel of a young man of many allegiances. Kimball O'Hara grows up an orphan in the walled city of Lahore, India. Deeply devoted to an old Tibetan lama but involved in a secret mission for the British, Kim struggles to weave the strands of his life into a single pattern. Charged with action and suspense, yet profoundly spiritual, Kim vividly expresses the sounds and smells, colors and characters, opulence and squalor of complex, contradictory India under British rule. Jeffrey Meyers, a Fellow of the Royal Society of Literature, has published forty-three books, including biographies of Ernest Hemingway, Robert Frost, D. H. Lawrence, Joseph Conrad, and George Orwell. He also wrote the introduction and notes to the Barnes The House of Mirth.
