Is a willful little darling driving you to distraction? The New Strong-Willed Child is the resource you need a classic bestseller completely rewritten, updated, and expanded for a new generation of parents and teachers. Challenging as they are to raise, strong-willed children can grow up to be men and women of strong character if lovingly guided with understanding and the right kind of discipline. Find out what Dr. James Dobson, today's most trusted authority on parenting, has to say about what makes strong-willed children the way they are; shaping the will while protecting the spirit; avoiding the most common parenting mistake; and much more. If you are struggling to raise and teach children who are convinced they should be able to live by their own rules, The New Strong-Willed Child is a must-read! (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.)
