The guide contains three sections – the first contains standards specific to this course, the second contains knowledge development presentations, the third considers optional confined water and/or surface training and details the open water dives. The Deep Diver Specialty course teaches divers how to manage the risks involved with planning and conducting dives beyond the Open Water Diver limits (18m/ft) up to a maximum depth of 30m (100ft). Required PADI Deep Diver Specialty Course Instructor Guide Specialty equipment needed for student divers to perform deep dives. Anyone certified as a PADI Adventure Diver who is 18 years or older can take the Deep Diver Specialty course. The manual includes all standardized specialty instructor guides. This guide speaks to you, the PADI Boat Diver Specialty Instructor. Recommended Digital Specialty Course Instructor Guides. This collection of popular PADI and AWARE Specialty Course Instructor Guides conveniently lets you reference the standards, course outlines and in-water requirements for the specialty diver courses you are authorized to teach. Visit your local PADI Five Star Instructor Development Center or Resort to purchase a PADI Specialty Instructor Manual digital or paper version. If Dive One is conducted deeper than 18 metres/feet, the StepCheck the appropriate box(es) in Section for the specialty diver course(s) you wish to conduct.
