You know, the one with the to-die-for body. And then there's the way his designer suits drape over his broad shoulders and big...well, we've all heard the rumors, the ones that say he's up for any challenge.Men like him don't notice women like me, and they don't date them. Until that one time that I catch him in a compromising position when I'm also in need of a last-minute date for a wedding...and then it's not a real one, simply a plus-one. It's blackmail.**That's what Kimbra Jones thinks.Letting her believe she blackmailed me may not be the most conventional way to get on her radar, but I didn't get this far in business without knowing when to seize an opportunity. If this sexy, little firecracker with perfectly kissable lips thinks she can trick me into attending her cousin's wedding, I'm going to jump at the chance to be her plus-one. A sexy, fun stand-alone from New York Times bestselling author Aleatha Romig. You love her darker side. Now it's time to meet Leatha, the lighter side of Aleatha.
