Practically Speaking aims to address four key objectives for 1) readability, 2) clarity, 3) applicability, and 4) affordability. Widely praised for its conversational tone and clear advice, Practically Speaking is the public speaking textbook your students will actually read. Its brevity is far less intimidating and more likely to be read.A fourth objective--recency--is always a challenge because of the lag period between finishing a manuscript and completing the textbook production process that typically takes months J. Dan Rothwell. Listening Deafly and the ISBN Practically Speaking 4th. All new print and electronic versions of Practically Speaking come with access to a full suite of engaging digital learning tools that work with the text to bring Booktopia. Author (s) J. Dan Rothwell. Filled with engaging stories and examples, sound scholarship and recent research, and useful tips and tricks, Practically Speaking shows students how to get started, practice thinking Practically Speaking is about half the size of most standard-sized public speaking texts.
