In a sizzling novel from the New York Times bestselling author of Dirty Money, theres rich, and then theres filthy rich when an oil tycoon takes being a roughneck billionaire to a new level. Clay Price has everything hes ever wanted, except the one thing money cant buy Natalie Weston. Years ago, Clay and Natalie were in love until she turned down his marriage proposal. Now Clay and his brothers are oil-rich billionaires, and they can have whatever they want. And what Clay wants is Natalie in his bed, no matter what it takes. If it means being ruthless, hell do it. Natalie gave up on true love years ago when the realities of the world destroyed her fairy-tale hopes. Giving up Clay is her biggest regret in life, and shes excited to see him return until she finds out why. Clays got one hell of a proposal for her: hell save her fathers business and bail Natalie out of debt if shell agree to become his very personal assistant. Its clear that he wants more from her than just typing. Its also clear that Natalie has no choice. This scoundrels bet could destroy any hope they had of reconciliation or it could bring them together once and for all. Praise for Jessica Clare Great storytelling delightful reading Its fun and oh-so-hot. Kirkus Reviews [Clare is] a romance writing prodigy. Heroes and Heartbreakers Blazing hot. USA Today
