But when youre smaller than everyone else and your body is brittle, death is only a heartbeat away... because dragons dont bond tofragile humans. They incinerate them. With fewer dragons willing to bond than cadets, most would kill Violet to better their own chances of success. The rest would kill her just for being her mothers daughterlike Xaden Riorson, the most powerful and ruthless wingleader in the Riders Quadrant. Shell need every edge her wits can give her just to see the next sunrise. Yet, with every day that passes, the war outside grows more deadly, the kingdom's protective wards are failing, and the death toll continues to rise. Even worse, Violet begins to suspect leadership is hiding a terrible secret. Friends, enemies, lovers.
