Sometimes a little Christmas magic can rekindle the most unexpected romances Sheriff Kace Laramie and his brothers found long-awaited happiness when they moved to Coldwater, Texas, as foster children. But the feel-good story has one bittersweet twist this brief marriage to local rich girl Jana Parker. When that blew up, Kace vowed never to marry again and has kept Jana mostly off his mind until she comes back to town, needing his help. Recently divorced for a second time, Jana just wants to create a good life for her young daughter and keep her mother from marrying Kace's gold-digging father. Asking him for help may be wrong given their history. But as the stakes and their chemistry make the Christmas season sizzle, Jana knows how much more wrong it would be to let a love this magical slip away again
