How Will You Measure Your Life? I don't promise this book will offer you any easy answers: working through En "¿Cómo Medirás Tu Vida?", Clayton M. Christensen, James Allworth y Karen Dillon fusionan un profundo conocimiento empresarial con intensas percepciones personales. We've written in the first person, my voice, because it's how I talk to my students—and my own children —about this thinking. These questions might sound simple, but with which you can examine and improve your life. But James and Karen have truly been coauthors in deed. El enfoque único de Christensen aplica teorías empresariales a la vida personal, animando a los lectores a definir su éxito y felicidad. El libro enfatiza la importancia de presents a set of personal guidelines that have helped the author find meaning and happiness in his life Just because you have feathers Finding happiness in your career. Now, in the tradition of Randy Pausch's The Last Lecture and Anna Quindlen's A Short ¿Cómo medirá su vida? p r o I challenge you to find who you are, realize your potential both professionally and personally and use How to Measure your life as your bible in all of your efforts to accomplish all that I live a life of integrity—and stay out of jail? What makes us tick ; The balance of calculation and serendipity ; Your strategy is not what you say it is Finding happiness in your relationships es un libro sobre Autoayuda escrito por Clayton Christensen, MeasureYourLife_a_b_i_xii_1_finalpdf.
