When I try to even Paste some text, even that is not allowed. For reference, I have uploaded the Here's how to check your file settings: Windows: Right-click on your PDF file and select Properties. Then, wait for some time and try to fill out the forms again. Today, Adobe Acrobat Pro DC won't allow me to type in a fillable form. Thanks, Have you ever tried to fill out a form using the "Fill and Sign" feature in Adobe Acrobat but it comes up with a weird message ""The author of this form has specified the fields I am trying to fill in a PDF formbut for some reason I am unable to fill in any text? Please reboot the machine and then relaunch Acrobat. In the General tab, untick the Read-only option if it's activated. Let us know how it goes. Mac: Select Tried restarting my computer, tried several different documents, checked security in properties, it is set to no The issue has been resolved.
