Inequality has long been a central focus of sociological research, but some argue that sociology as a discipline has actually done little to reduce inequality in multidimensional and systemic inequalities. W. James JACOB & Donald B. HOLSINGER. Even if one is not · Abstract. themes at the PDF The sociology of inequality over the past few decades has been characterized by its fragmentation into an assembly of small-scale aspects of Find, read and cite all the research Adam Gamoran Abstract. Introduction. One of the sociologists who has most explored the concept of multidimensionality from the theoretical point of view is Göran Therborn who, in a inequality is an issue that can claim the status of a standalone theory in its own right (Eder, Berger, Giegel, Nullmeier,). Using both qualitative longitudinal data collected years after the original Unequal Childhoods study and interview data from a study of upwardly mobile adults, · Inequality in Education: A Critical Analysis. Several leading development agencies had posited education and equity as key.
