Introduction

Make a lasting impression with our **Standard Visiting Cards**. Choose between **glossy or matte finishes** for a polished look that reflects your brand's professionalism. Our **customizable design options** ensure your card stands out, with dimensions clearly marked on the design page to include the **bleed area**. This guarantees your final card will be the perfect size of **2 x 3.5 inches**. Remember to **stretch your design to the bleed area** for a seamless, borderless finish, while keeping your information within the safety area for clarity. Need assistance with the design? We offer **Design Services** to help bring your vision to life.

Étape 1 -

Notes et références

Standard Visiting Card Size: 2 x 3.5 inches (commonly used dimensions for business cards).
Design Tips: Ensure important information (like name, contact details, and logo) is within the safety area to avoid being trimmed off.
Bleed Area Importance: Typically, the bleed area extends 1/8 inch (0.125 inches) beyond the final size to ensure a flawless borderless finish.
