We live within the boundaries of this "enough.". The Game of Life game is full of surprises. We all keep past versions of ourselves in a closet somewhere, and every time we open it, we feel pain and suffering Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Includes gameboard with spinner, cards, Spin to Win tokens, cars, people pegs, pet pegs, money pack, and game guide. It's been said that we achieve inner peace when our schedule is aligned with our values. We unconsciously simplify the world in order to survive, and we mistake that simplified version for the world itself. When humans look at the world, we only perceive enough to allow us to get by. It's a simple reminder that we all have regrets.
