Sarn wants to be like everyone else, not a mage with a power he can barely control. But he must hide that nagging need to cast spells in a country run by a group that wants to destroy all magic. That power comes in handy when he wakes up far from home with only his cloak to protect him from monsters and murderous trees. But his magic is no help when he discovers a ghost child, and it warns him that the enchanted forest has turned against him. To save his home, Sarn must unravel a dark conspiracy that's destroying it before his son pays the ultimate price. But he's never done anything like that before, and the mastermind behind everything is coming for him. How will Sarn solve the deadly mystery before he loses everyone he loves? Get Curse Breaker: Enchanted now. It's an epic fantasy mystery starring a loving father and his young son set in an immersive world of intrigue and adventure.
