Exquisitely written with compelling characters and romance . . . I was swept away by the enchanting and magical world Rebecca Ross crafted, and loved every moment of it. Sue Lynn Tan, bestselling author of Daughter of the Moon GoddessEnter the isle of Cadence in this novel from the #1 New York Times bestselling author of Divine Rivalsa Scottish-inspired fantasy brimming with enemies-to-lovers romance, magic and spirits, and a captivating mysteryIt starts with a letter and an ominous journey across dark waters. Ten years after being sent away to the mainland to become a bard, Jack Tamerlaine is summoned home to Cadence. Girls are going missing from the island, and Adaira, his childhood nemesis and the future leader of the clan, believes Jack is the only one who can find them.The elemental spirits that dwell in every breath of air, splash of water, blade of grass, and flicker of fire find mirth in the lives of the humans, and a bards music is the only way to summon them and ask that the girls be returned. Yet as Jack and Adaira get closer to solving the mystery, it becomes apparent that an older, darker secret about Cadence lurks beneath the surface, and no harp song may be strong enough to stop it.With unforgettable characters, a thrilling plot, and a lush folklore-infused world, A River Enchanted is a stirring story of duty, love, and creating harmony between opposing forces. This first book in the Elements of Cadence duology marks Rebecca Rosss brilliant entry on the adult fantasy stage.
