USA TODAY BESTSELLERAn Amazon Best Book of the Year SelectionImpressive . . . Zanettis action sequences are sharp and dynamic.The New York Times Book ReviewToo quiet. A talented hacker who got caught, Brigid Banaghan is now forced to work with a secret Deep Ops unit. But she wont reveal any more to these renegade Feds than she has to. Especially not to Raider Tanaka, her control freak of a bodyguard and handler. Its enough that his body is tensed for action and his heated gaze is always on her . . .Too sharp. Raider knows theres more to his new assignment than hes been told. Why send a deadly agent of his experience to guard a computer geniuseven a gorgeous, unpredictable, undisciplined one? But when Brigids estranged father is named in an investigation into Bostons organized crime, Raiders mind switches onto high alert, just like his senses . . .Too close. To clear her fathers name, Brigid needs Raiders help. The Units idea that she bring a straight-laced Fed in as herfianc wont fly, thoughnot unless Raider can release his inner bad boy and become the rebel Brigid cant resist . . .Praise for the debut novel in the Deep Ops seriesExplodes with action, spice and humor.Publishers WeeklyFans of J. D. Robb and Karen Robards will love Zanettis series start.BooklistThe suspense is chilling and the romance is hot.Book Page tags:
