Author. BiBTeX EndNote RefMan This article focuses on what I consider to be John Ruganda's three most recognized, studied and politically engaging plays namely The Floods, The Burdens and Black The play begins with an announcement on the radio that there will be devastating floods on an island in Lake Victoria. Publisher. Just like any other prolific writer, Ruganda tries to inform us of the atrocities that befell Uganda under one idi Amin Dada, and warns leaders' of such inhumane and barbaric styles of leadership, that one day time will catch up with them: OPPRESSION/CRUELTY. The floods' is a drama divided into three parts, defined as waves. The floods will arrive in a span of no less thanhours The study used Ruganda's two plays, namely The Floods and Shreds of Tenderness. Oppression is a very conspicuous theme in this book The floods' is a drama divided into three parts, defined as waves. East African Publishing House, Export Citation. The first wave is an introductory part, where we get to know the characters. The guy I loved most in the play was the notoriously funny Kyeyune These are better known as themes. A man, the Headman of the island, calls onto the people to hurry and enter the ill-fated boat. For that reason, I humbly respect Ruganda especially the fact that his writing had purpose unlike some who just reformnot-so-helpful articles and claim to write a book. Vested with the responsibility of ensuring Writers like John Ruganda, had to run for their miserable lives lest they became notable targets.
