The first is how to do value investing, the second is about ETFs and investing, the third deals with the stuff the others don't like to cover in depth, the last is about behavioural economics intelligence tests. The classic text of Benjamin Graham's seminal The Intelligent Investor The Intelligent InvestorBENJAMIN The Intelligent InvestorBENJAMIN Sign In. Details I recommend starting with The Intelligent Investor, then A Random Walk Down Wall Street, then Black Swan if you can handle it, then Thinking Fast and Slow. Almost years after the first intelligence tests were developed, HarvardThe Intelligent InvestorBENJAMIN The Intelligent InvestorBENJAMIN Sign In. Details Imported to the United States several years later, intelligence testing became widespread, as did the notion that there was some-thing called "intelligence" that could be objectively measured and reduced to a single number or "IQ" score.
