It is Urban Voodoo is indeed about the practice of magic and spells, but more importantly it is written for the person born outside the Voodoo tradition—which is still often closed to outsiders—but interested in the practice. Rather than consulting any actual Bokors or Houngans (i.e., people who've actually met these spirits) to learn about the Lwa and their attributes, they just conduct random spells they pulled out of their ass and then interpret the vague results as Voodoo spirit contact. This book fills a long-standing need in literature: Voodoo, Santeria, and Macumba as practiced today in cities throughout the Western world.
