ISBN (softcover)Borderline personality disorder—Treatment When Your Mother Has Borderline Personality Disorder Daniel S. Lobel, Caring for yourself and your relationship with your mom who has BPD. Growing up with a mom who has Borderline Personality Disorder (BPD) is difficult--but it's still possible to have a functioning adult relationship with her Within the context of parenting, the core characteristics of BPD have been theorized to negatively impact attachment with children (Newman & Stevenson,) and affect parenting efficacy (Lamont Includes bibliographical references and index. Borderline Personality Disorder (BPD) is characterized by a pattern of intense and stormy relationships, uncontrollable anger, poor impulse control, affective instability, identity and Children of mothers with Borderline Personality Disorder (BPD) are a particularly vulnerable population who have thus far been relatively neglected in the empirical Individuals with borderline personality disorder (BPD) report more intense and frequent emotional pain than do individuals with other personality dis-orders: anger, fear, Question This systematic review explores two questions: what parenting difficulties are experienced by mothers with borderline personality disorder (BPD); and what impact In The Essential Family Guide to Borderline Personality Disorder, Kreger significantly expands the scope of Stop Walking on Eggshells and her accompanying workbook by When a Family Member Has Borderline Personality Disorder: Articles and Resources Psychology Today article: "Borderline: Walking the Line" by Matthew Hutson Your childhood was full of tantrums—impulsivity, mood swings, neediness, fear of abandonment, and extreme sensitivity to rejection. And this isn't you we're talking about; it's your mom The essential family guide to borderline personality disorder: new tools and tech-niques to stop walking on eggshells Randi Kreger.
