Published simultaneously in Canada Scenario Planning serves as a guide to taking a long-term look at your business, your industry, and the world, posing thoughtful questions about the possible consequences of some current (and possible future) trends The method is called scenario planning, and it's a productive, creative, and even exciting way to develop the groundwork for a strategic plan that doesn't bet the company's future on the emergence of a single "most likely scenario" (i.e., one that's largely extrapolated from today's numbers). © by Wade & Co. Published by John Wiley & Sons, Inc., Hoboken, New Jersey. A Field Guide to the Future. © by Wade & Co. Published by John Wiley & Sons, Inc., A practical and very visual guidebook, Scenario Planning: A Field Guide to the Future aims to help you: Identify the trends that could play out over the next few years that could Although nobody can chart the road ahead with % clarity, scenario planning can help you foresee the shape of things to come. It allows companies to visualize the impact that a portfolio of possible futures could have on a company's fortunes Here you can purchase Woody Wade's handbooks on scenario planning SCENARIO PLANNING. Designed by Nathalie Wagner, NaWa design. a Designed by Nathalie Wagner, NaWa design. Woody Wade. Woody Wade. And by visualizing how things could Here you can purchase Woody Wade's handbooks on scenario planning The method is called scenario planning, and it's a productive, creative, and even exciting way to develop the groundwork for a strategic plan that doesn't bet the company's future Scenario planning is a fascinating, yet underutilized, business tool that can be of immense value to a company's strategic planning process.
