Lulu is getting the sister she never asked for in this oh-so-funny illustrated chapter book filled with hilarious hijinks and feisty twists from Judith Viorst. Lulu has received the worst. News. EVER. Shes getting...a baby sister. No one ever asked HER opinion on this debacle. But shell tell you anyway, because she no how, no way, no thank you wants a sibling. Undeterred, and to prepare Lulu for big sisterhood, her parents bribe AHEM, ask Lulu to attend Camp Sisterhood, a.k.a. big sister training camp. As a Sister-in-Training (SIT), Lulu is assigned a variety of temporary littlesiblings who are supposed to be so much fun Lulu will become excited to have a permanent sibling of her own. Well, no one ever said Camp Sisterhood was supposed to teach Lulu how to be a good big sister, so Lulu resolves to be a bad big sister. She insults her little siblings. She taunts them with secrets. She even tricks one of them into carrying both of their backpacks up a mountain! Then some BITs (brothers-in-training) from the neighboring Camp Brotherhood start picking on Lulus siblings, and Lulu responds by doing her red-faced, steam-coming-out-of-her-ears thing and showing those BITs whos boss! After all, Lulus siblings may be duds, but theyre her duds, and sisters have to stick together.
