The Legend of Zelda: Tears of the Kingdom. The Artbook for Tears of the Kingdom that was leaked months before the game released. SPOILER WARNING: The Artbook is leaked The official home for The Legend of Zelda Home Nintendo Switch Online members can buy a pair of vouchers\* for just \$ USD \$ CAD and redeem each one for a select digital game, including The Legend of Zelda: Tears of the Kingdom totk, artbook, zelda. Added date Almost three months before its release, some The Legend of Zelda fans are getting their hands on the Tears of the Kingdom art book which is due to release as part of the game's collector's The artbook doesn't have any story spoilers beyond a few returning characters but I got the impression from the trailers that Zelda gets removed fairly early on and historically that fits the series to a T. After all the only time Zelda ever actively participated in any of the mainline games besides the beginning and ending was Spirit Tracks The artbook doesn't have any story spoilers beyond a few returning characters but I got the impression from the trailers that Zelda gets removed fairly early on and historically that We would like to show you a description here but the site won't allow more Master Zaroyear ago Also there's a possibility Nintendo did it intentionally, idk why this it's considered a f up. After all the negative press from the direct, they very well might have wanted some new info out. Collection. Boards. opensource.
