Rad-Kit Allows user to either ignore the effects of POI Radiation for one mission, or restores all lost Stamina as a result of POI KONTRABAND More Salvage and Survival An expansion for Osprey Wargames Zona Alfa, Salvage and Survival in the Exclusion Zone. KONTRABAND – More Salvage and Survival An expansion for Osprey Wargames “ Zona Alfa, Salvage and Survival in the Exclusion Zone.”. Instead of starting out with a starter band, you get vets that either belong to the scientist or stalker faction Designed for Solo and Cooperative There's a mini Zona Alfa/Kontraband campaign called "Hunter, Hunted", the pdf is pay what you want, it includes four pre-generated character sheets which is pretty useful I believe with POIs you can choose how many and which ones you want to investigate and are able to leave the board at any time you wish in a standard scenario for Kontraband from A Zone Hazard or Artifact from an Anomaly. It is written by the author of Zona Alfa (Patrick Todoroff) but self published and available as a PDF or via Print On Demand (in the UK here, in the USA here, and possibly at your local Amazon try it using your local top level domain) For any interested parties, KONTRABAND is now available in PDF at Wargame Vault. With a five-part sample campaign – Zone Ravens – it's a chance for your Veterans to Kontraband is the first expansion for Zona Alfa, and leans fully into the co-op/solo play. With a five-part sample campaign – Zone Ravens – it's time for your Veterans to explore high-threat locations deep in the Exclusion Zone There's a mini Zona Alfa/Kontraband campaign called "Hunter, Hunted", the pdf is pay what you want, it includes four pre-generated character sheets which is pretty useful Kontraband is an Expansion for the Zona Alfa game. Designed for Solo and Cooperative Designed for Solo and Cooperative games, Kontraband introduces more detail for player characters, new equipment, new enemies, and mission objectives. (POD coming soon to Amazon) Made for Solo and Cooperative games, Kontraband introduces additional player characters, new equipment, new enemies, and mission objectives.
