An ordinary summer brings about an extraordinary change of heart in the first novel in the Blue Sky Hill series from the #1 New York Times bestselling author of *The Book of Lost Friends* and *Before We Were Yours*. Changes aren't in Rebecca Macklin's plans when she receives a long-distance call from the Dallas police. Her aging father has been found repeatedly wandering the city streets alone, and his wife has suffered a serious illness and landed in a nursing home. Despite the demands of the busy LA legal practice Rebecca shares with her husband, she must put aside old resentments and return to her childhood home. When Hanna Beth Parker hears about the arrival of her stepdaughter, Rebecca, who has stayed away for decades, she knows something is terribly wrong. Suddenly, the last person she'd ever turn to for help is the only one she can count on. But forging a relationship with Rebecca will require awakening old ghosts. In this moving story of separation and forgiveness, two women will unravel the betrayals of the past, examine the yearnings of the heart, and discover the truest meaning of family.
