### Model EDW174E

Simple dishwasher problems can lead to bigger problems, like domestic squabbles about who's going to wash the dishes by hand. Learning how to fix your dishwasher is a great life skill, and can save you money, time and an argument. And it's one of those badges of honor you can brag about at the barbecue. So whether your dishwasher won't fill or is leaking all over the floor, Repair Clinic can help you diagnose the problem and make it go away.
