## Description

Panorama Charter is the employee portal that allows Charter Communications staff to access work-related information quickly. To log in, visit [Panorama.charter](https://Panorama.charter.com) and enter your employee credentials, including your user ID and password. Once logged in, you can view work schedules, manage tasks, and stay updated on company news. It's essential to ensure that you access the portal using official credentials to maintain security. If needed, follow the provided guidelines to reset your password. This portal provides a convenient platform for employees to stay organized and informed about their work responsibilities.
