Étape 1 - How to Create a Collaborative Playlist on Spotify on Desktop

Step 1. In the left panel, right-click a playlist you wish to open.

Step 2. Select 'Collaborative Playlist'.

Step 3. Right-click on the playlist again, then scroll down to 'Share'!

Step 4. Choose 'Copy Playlist Link' then send it to your friends.

Étape 2 - How to Create Collaborative Playlists on Spotify on Mobile and Tablet

Step 1. Tap 'Your Library' > 'Playlists' and select one you want to make Collaborative.

Step 2. Tap in the top-right corner > 'Make Collaborative'

Step 3. Choose the top-right corner again

Step 4. Choose 'Copy Link', then distribute to your friends.

Note: This Collaborative Playlists feature isn't available on mobile unless you have a Premium account.
