Introduction

The Vietnamese beverage industry has been growing strongly in recent years. With a population of nearly 100 million people, Vietnam's beverage consumption market has great potential.

Beverage manufacturing companies are taking advantage of this opportunity to expand production, introduce new products, improve quality and compete on price.

WANA Beverage is considered one of the leading *drink manufacturers* today with hundreds of quality beverage products brought to the market today.

Leading reputable and quality beverage manufacturer

WANA Beverage is a beverage manufacturer with a clear development goal and a specific strategic vision in the food and beverage product segment supplying the domestic market of Vietnam with nearly 100 million people as well as distributing to more than 200 countries and territories around the world.

The company's products meet international quality standards with strict and stringent standards when exported to demanding markets such as the EU, Japan, the US and Russia.

With the motto of creating products that gain customers' trust and become the priority choice of consumers, WANA Beverage always researches and creates formulas for new products, bringing experiences beyond customers' expectations.

The quality of input materials is always guaranteed thanks to the advantage of owning a fruit farm that meets green, clean and safe standards. WANA Beverage is a reputable, quality product manufacturer, meeting the needs of domestic and foreign partners.

WANA currently owns 3 brands including WANA, fresh fruit juice, private label fruit juice, coconut water manufacturer that is a hot trend in the market.

In addition, WANA provides private-label beverage manufacturing services (OEM/ODM), allowing businesses to own their branded products at an affordable cost.

The perfect choice just for you

We not only produce main beverages such as juices, teas, energy drinks and carbonated drinks but also provide specialty coconut product lines, world-famous Vietnamese coffee and other types of drinks. Trendy drinks like carbonated mineral water, pearl milk tea or carbonated kombucha.

With a passion for turning your ideas into reality, we're here to support every step of your beverage creation journey, turning unique visions into reality with unrivaled expertise and passion.
