To escape from the Labyrinth, Daedalus made wings of wax and feathers for himself and his son. Put the events in the story in the correct order by numbering them 1-Icarus flew too close to the Sun. Daedalus made a labyrinth. He would sit on the flat roof of their little house and watch the birds scything through the air above. Learn more about Long ago on the far away island of Crete, there lived a boy called Icarus. Ordinarily, he paid no attention to those entering or leaving "The Story of Daedalus and Icarus," Ovid In tedious exile now too long detain'd, Daedalus languish'd for his native land: The sea foreclos'd his flight; yet thus he said: Tho' Earth Icarus was foolish. His father Daedalus was a great inventor who could make all sorts of clever things: like wooden cows that mooed and swords that could fight by themselves. His father was the creator of the Labyrinth, a huge maze located under the court of King Minos of Crete. When Daedalus arrived on the island of Crete, he was taken to the palace and asked to become the King's master craftsman Icarus was a thoughtful child. But Daedalus worked only for evil King Minos, the ruler of Crete Icarus was the son of the famous craftsman Daedalus in Greek mythology. His father Daedalus was a great inventor who could make all sorts of clever The Story of Icarus. He had been told about a man who was on board. Daedalus led his son onto the roof and there, before the boy, was a strange feathered thing with a long snake of a tail The story of Icarus Long ago on the far away island of Crete, there lived a boy called Icarus. Of all of the birds, he loved the hovering hawks the most. The great day came. The tale is often interpreted as being fundamentally The story of Icarus. Daedalus made some wings. King Minos was intrigued. The By Dr Oliver Tearle (Loughborough University) The story of Icarus is one of the most famous tales from Greek myth. Daedalus and Icarus flew away The Story of Icarus King Minos looked out of the window and spotted the boat that his messenger had just mentioned. He had been told about a man who was on board. However, Icarus flew too close to the sun and his wings melted, causing him to fall into the sea and drown. Daedalus and Icarus escaped from the labyrinth. The Story of Icarus. King Minos threw Daedalus and his son into the labyrinth. King Minos looked out of the window and spotted the boat that his messenger had just mentioned. The man was a genius who could invent anything you asked for. He peered out of the window and watched as the boat drew closer.
